Crossp, Bronchitis, Spitting of Blood, Asthma and Con Testimonial from Col. L. B. Thornron, Attorney at Law Dr. C. WILLIAMS—Dear Sir:—I take great pleasure in being able to recommend your "Balsam of Wild Cherry and Wood Naptha;" I feel no besitation in saying it is the best remedy I have ever tried for colds, coughs, and affections of the lungs and chest. I had an attack of Pneumonia last winter and received entire relief from one bottle of the above medicine, and have since tried it for cough, produced by severe cold, and found from it immediate relief. If my estimony to the efficacy of your valuable medicine will be

of any use, you can have permission to use this as you please Yours truly, L. B. THOLNTON.
Tuscumbia, Ala., August 29, 1849. Certificate from Mr. Rees H. Lin, a highly respectable merchant of the firm of Lin & Brantley, Atlanta, Ga.

Atlanta, February 12, 1852.

This is to certify that I have used Dr. C. Williams "Compound Pulmonic Balsam of Wild Cherry and Wood Napil.a," for a disease of the Lungs, with which I have been afficted for many years, and found more relief from it than any medicine I have ever used—having used a quantity of Wistar's Balsam and other preparations. I found that Dr. Williams'
"Pulmonic Balsam" gave me more relief than any other preparation. I have procured this medicine, and furnished it io many of my friends, and they unhesitatingly declare that they have received great and permanent relief from its use, and declare it the best and most effectual remedy for all diseases of the Lungs and Throat. I therefore take pleasure in recommending this very valuable preparation to the afflicted.
